

## Hot Lunch Program

For the month of October, we will have a new caterer for our hot lunch program. We are constantly looking for healthy options for our students.

***This program is a service provided for your convenience.*** Aside from the caterer, this program is run by parent **volunteers**. If you don't participate in the Hot Lunch Program, you are always welcome to provide a lunch from home for your child.

Please cooperate by completing the following:

1. Check with homeroom teacher and/or class schedules before filing out the order form. **There are no refunds due to scheduling conflicts.**
2. Turn in your order by the **DUE DATE!** We need time to process and summarize all order forms.

**Note: Orders will be due on Thursdays, by 9 AM**

### **NO EXCEPTIONS**

3. Complete one order form per child.
4. Refer to the quick guide on the order to help you remit the correct amount.
5. Keep a copy for your records.
6. No refunds are given due to absences.

*Please remember that this is a service run by volunteers. Your cooperation, kindness, and appreciation is best demonstrated by following the guidelines as stated above.*
